

Everton Park State School P&C Association
VOLUNTARY CONTRIBUTION FORM

The P&C together with the schools leadership team made a strategic decision to invest significantly in Information Communications Technology (ICT) and STEM (Science, Technology, Engineering and Mathematics) resources for the school. These resources to this degree are not covered by the budget given to the school. The school places a very high priority on the provision of quality ICT and STEM equipment to ensure that our students continue to have access to appropriate and effective technology for the digital age.

To support the school’s philosophy of generating 21st century learners, the P&C have committed to continue making financial contributions to the schools ICT and STEM fund on an annual basis. The P&C work hard every year running fundraising activities and sourcing grant funding opportunities. However, this fundraising needs supplementation, and with endorsement of the school principal, Aminta Miller, the P&C are requesting a single voluntary contribution from each family to assist in this funding and other opportunities that arise.

With the recent funding provided through P&C fundraising and Voluntary Contributions the school has been able to purchase Smart TV’s for every classroom and an iPad classroom set for each year level. Both of which are vital teaching and learning tools for implementing the Australian Curriculum. The school have also been able to purchase various robotics equipment for use by every year level.

I would like to make the following VOLUNTARY CONTRIBUTION amount to the EPSS P&C.

\$25 \$50 \$100 Other Amount \$ _____ **AS A** One-off donation Amount Per Term

Title: _____ First Name: _____ Surname: _____

Address: _____
